

FIGHT

FOR A FAIR ECONOMY!

“WE ARE ONE” MARCH AND RALLY

FRIDAY JULY 22, 11:30am
Oakland City Hall
(1 Frank Ogawa Plaza)

With the down economy, the anti-worker attacks happening across the country, and next year’s 2012 presidential election, it is critical for Labor to unite, build power, and fight back! Workers are under the most pressure we have seen in a generation whether we are public or private sector, union or non-union.

The Alameda Labor Council and Asian Pacific American Labor Alliance (APALA) will march in solidarity, fighting for good jobs, fair contracts, Wall Street accountability, and a labor community united for justice. Join over 1000 union and community activists to bring heat to the street!
